April 2015

A Note from the Superintendent

It seems this year we have had a continuous warm weather streak. The spring sports programs love it. Even though the weather has been fantastic, I am sure the students will stay focused on their schoolwork and finish out the year strong. The last day of school is scheduled for Friday, May 22nd. There is an early dismissal that day and we get out at 11:00 am.

I have just a few things to mention this month. The Legislature has finally agreed to a date in which we can start school. School cannot start prior to the 23rd of August. I still disagree with them. I don't believe it is a good thing to take away local control from school districts and make all districts start school on a certain time. What is good for our district might not be good for schools in the Lakes region or around the Metro. School will officially start on August 24th with the last day of school scheduled for May 25th.

We just have a few weeks of school left in the 2014-15 school year. If you get a chance, take a moment to thank your child's teacher for the hard work they have put in this school year. They have put in countless hours of checking papers, preparing lesson plans, and professional development activities to ensure your child has had a great year.

Variety Show

NASA field trip. Jordan Menning (NWAEA education leader), Rachel Mercer, Kiana Phelps, Paige Rassel, Valerie Sitzmann and retired NASA chemical engineer Norm Chaffe.

Elementary Comments

- Mr. Wiese

The Spring season is here, the warm weather was welcomed in March and we hope for even more in April! We have 35 days left for this school year and we want everyone to finish strong! The 4th Quarter "Midterms" will be sent home around April 17 for 3rd & 4th grade. The final day of school currently is Friday, May 22.

Each school year we have eight emergency drills. Four of the drills are for fire and the other four are tornado drills. Each drill takes approximately four minutes to complete. We hope we never have to experience this for real but we must be prepared if either should occur. We have four in the books from the first semester and four to go in the near future (two for fire and two for tornado remaining).

"National Library Week" will be April 13-17.

Friday, April 24, 8:20-10:00 "Pre-School Visitation Day".

Elementary "Go The Distance Day" is on Friday, May 1 or 8 in the PM.

Elementary Track Meet: PM on Monday, May 18 (more details in a memo).

Music Spring Concert and Kindergarten Graduation on Monday, May 18 @7:00 PM.

4th Grade Orientation: PM on May 20 (tentatively).

Various Field Trips (memo's sent out by classroom teachers).

Finally, it was great to see you at Parent-Teacher Conferences! Thank you for all of your support and commitment to champion excellence for your kids! Have a great April!!!

School Health Information

Kindergarten roundup was held on Friday, March 27th. We had 37 children participate this year. It is always great to see all those young faces excited (and some nervous) about starting school in the fall.

March was National Nutrition Month and I visited each of the K-4 classrooms. We talked about the "My Plate" dietary guidelines, making healthier food choices and the importance of being more physically active. We also discussed food portions and nutrition labels. If you notice your children being more active and eating healthier, please encourage them to do so.

The freshmen Health classes are currently taking their CPR/AED/First Aid course. If they have attended all classes or have attempted to make up missed classes, have passed all quizzes and tests with at least 80% (one time retake was allowed) and have shown accuracy in performing their CPR skills, they have become CPR/AED/First Aid trained, which is a graduation requirement. Each year, here after, they will do a skills refresher as 10th and 11th graders. As seniors, they will be given the option to remain trained, or for a \$25 fee, they can become certified for two years, after taking the written test and performing skills.

Tenth and 11th grade students did their CPR refresher classes this month. Each class had a one hour time frame when they just "played" with the manikins and went through different scenarios and skills.

Mass sports physical day at the Kingsley Medical Clinic has been set for Wednesday, May 6th. Informational letters with a blank physical form will be sent out in the mail to parents of all 6-12th grade students. I will start doing pre-screenings starting in early April.

IF YOUR CHILD WILL BE GETTING THEIR PHYSICAL DONE ON MAY 6TH AT THE KINGSLEY MEDICAL CLINIC, THEY WILL NEED TO SEE ME WITH THEIR COMPLETED AND SIGNED SPORTS PHYSICAL FORM BEFORE MAY 1ST, FOR HIGH SCHOOL STUDENTS. High school students will be responsible to get their own prescreening done with me. I will have posted days and times available to see them. They need to bring their COMPLETED AND SIGNED physical form to me before I will do their prescreening.

I WILL BE DOING PRESCREENINGS IN THE MIDDLE SCHOOL ON THURSDAY, APRIL 23RD. THOSE ATHLETES WILL NEED TO TURN IN THEIR COMPLETED AND SIGNED FORM TO MRS. WASHBURN BEFORE APRIL 22ND. I WILL NOT BE DOING PRESCREENINGS IN THE MIDDLE SCHOOL ON ANY OTHER DAY.

The fee of \$25 for the Kingsley Medical Clinic to do the physical can be turned into me ahead of time or can be brought on May 6th to the physician's office. Your child **WILL NOT BE SEEN MAY 6th** if they do not have the fee. Please call me if you have any questions regarding sports physicals.

-Barb Sitzmann, School Nurse

"The Kingsley-Pierson CSD believes education enhancement requires consistently fair and equitable educational and employment practices without regard to race, color, national origin, religion, creed, age, sexual orientation, marital status, sex, gender, gender identity, disability or socio-economic status."

Students Enjoy Field Trip to Museums

Forty-nine high school students and four teachers toured the Sioux City Art Center and the Sioux City Public Museum on Friday, March 13th. The students who attended are in Mrs. Hackett's Art classes, Mr. Harpenau's Modern History class, and Mrs. Vondrak's English III and English IV classes. Ms. Brittany Lew, student teacher in Art classes this semester, also chaperoned students. This collaborative field trip exposed students to the interconnectedness of art, history and literature, particularly in the Modernist time period.

The first destination was the Sioux City Art Center, where students observed the special gallery displaying artwork from area elementary students and the permanent gallery which houses various mediums from local and area artists. Included in the permanent gallery is the Corn Mural painted by Iowa's Grant Wood; the sections from this mural were rescued from Sioux City's Martin Hotel. The main attraction at the Art Center was Jackson Pollack's painting, titled "Mural." Pollack's work was commissioned by Peggy Guggenheim in 1943. The 95 5/8" X 237 3/4" sized painting makes a powerful statement to the viewer. Using his personalized technique of painting on an oversized canvas and layering the brushstrokes and drip patterns, Pollack created a mesmerizing iconic piece. Bailey Irwin, a junior in English III, commented that "It was better in person than seeing pictures of it." English III students were invited to examine the painting in quadrants in order to discuss what they saw in the abstract work. Some students pointed out birds of various kinds, a tractor, fire, dancers, sailboats, numbers and letters. Senior Art student, Ryder Hansen said, "I saw a banana" created by the bold yellow Pollack applied. While most of the students had only recently been introduced to Pollack's work, the painting made a huge impression on them. Corey Ross, another junior, felt the experience was "very enlightening," while Austin Barth, also an Art student and an English III student, claimed, the mural was "better than I thought it would be. I found things amusing in what I could see in the painting, rather than just blobs of paint." Austin's favorite part of the field trip was sitting in the room observing Pollack's painting. Others remarked that they were honored to be able to see the painting, and that they didn't realize random lines actually had meaning. Some students felt rushed through the Art Center and wished they had more time to study the "Mural" and other works. Discussing the painting later in class, junior McKenzie Carlson pointed out that Jackson Pollack had written his name in large letters in between all the color layers, swirls, and shapes.

After their lunch break, students reconvened at the Sioux City Public Museum. The tour began with an informative orientation film, "The Spirit of Sioux City," which provided insights into the settlement of Sioux City and the area "where two rivers meet." A few of the students enjoyed the film so much that they requested a second showing before they left the museum. Students were impressed by the fact that Sioux City once boasted the construction of five different Corn Palaces. Konner Otto, an English III student, later looked up the song lyrics for "Sioux City Sue" and said, "it was cool" to hear all the words. The film also taught the students things about Sioux City that they hadn't known before, like the label of "Little Chicago." Following the film, students were partnered up for a Scavenger Hunt to familiarize them with the museum's displays and to identify specific items of interest. While they were disappointed they couldn't dig for dinosaur bones, students discovered local connections to the museum's holdings. Jordan Laddusaw pointed out Jerry Mathers in the "Famous People" display to his relatives, Emily Reinking and Taylor Anstine. Nichole Miller spotted the Kingsley plate on a truck donated to the museum by the Nafe family; Michael Nafe, who was unable to attend the field trip, later shared with his classmates that the truck was his grandfather's. The Public Museum also offers three short multi-media films on the 1904 Pelletier Department Store fire, the 1953 Floyd River Flood, and the 1989 crash of United Airlines Flight 232, which students enjoyed watching as they continued their searches. Students took the opportunity to study special collections as well, artwork by Chuck Raymond and Jean Thompson, and a geological exhibit.

On a gorgeous, mid-March day, a stop for ice cream at DQ and Sonic was in order before returning to Kingsley. Students enjoyed the finale to their field trip experience as they were able to eat their treats and congregate at the outdoor tables. When asked about their overall experience, students remarked positively about what they had seen throughout the day. Senior Michael Sudbeck stated, "It was insightful", while junior Brandon Vanatta agreed that the day was "awesome." Lily Peschau and Katlyn Dugan, both students in English III, confirmed that the field trip was their "favorite school day all year" and not just because they weren't stuck inside the school building.

Sharing an interdisciplinary field experience supports the interconnectedness between subject areas. The teachers thank the students, their parents, the administrators and school board members in their support of this opportunity.

Middle School Comments

- Mr. Wiese

Please continue to encourage your child to finish the year strong! The 4th Quarter "3" week Progress Reports will be sent home with your child for grades 6, 7, & 8 around April 13. The 5th Grade "Midterms" will be sent home around April 17. Many of you take advantage of the JMC On-Line Parent option to view your child's grades, lesson plans, and attendance. If you would like more information about this, please contact the office!

The annual "Candy Fund Raiser" was a success again! However, sales were down for two years in a row! Fifteen (compared to seventeen in 13/14) of the students sold at least 25 boxes of candy (and/or cash donations) and earned a reward. Congratulations to the top seller, Brooke Harvey, who sold 65 boxes and will receive a special gift at the end of the year assembly (she won the contest last year too). Candy should all be delivered by press time. Thank you for all of your help!

It is great to see the kids involved in extra-curricular activities throughout the school year! There is a Music Concert on Monday, May 11 @6:00 PM in Kingsley (HS concert follows starting around 7:30 PM). The Track Season is also in full swing.

The first track meets are held in Kingsley on April 16 (directed by Woodbury Central) & April 21 (directed by Kingsley-Pierson). If you would like to work at our home meet on Tuesday, April 21, please give me a call at the school. At the bottom of this page is list of the meets.

May 6 Sports Physicals *6th-8th graders* AM in Kingsley

May 11 MS Spring Concert in Kingsley @ 6

May 17 KP HS Graduation @ 2

May 19 8th Graduation @6 PM + 7th/8th Grade Awards

May 20 8th Grade Orientation in the HS-PM (this could change)

May 21 Tentative date for MS Field Trips

May 22 Current Final Day of School: Early Dismissal @11:00 AM

Track Schedule

Thursday	April 16	4:00 PM	Woodbury Central	@Kingsley
Monday	April 20	4:00 PM	Alta-Aurelia	@Alta
Tuesday	April 21	4:00 PM	Kingsley-Pierson	@Kingsley
Thursday	April 30	4:00 PM	OA-BCIG	@Ida Grove
Friday	May 1	4:00 PM	Lawton-Bronson	@Lawton
Tuesday	May 12	3:30 PM	WVC Meet	@Correctionville
Friday	May 15	4:00 PM	Hinton	@Hinton

NATIONAL HISTORY DAY COMPETITION

On Thursday, March 12 several middle school students participated in National History Day at WIT in Sioux City. We took three individual exhibits, thirteen group exhibits and a five person performance team. The theme this year was "Leadership and Legacy." There is a lot that makes up this project. For an exhibit they have to research, compose their words for the exhibit which is limited to 500 words, choose a color scheme and create an exhibit board, write a 500 word or less process paper, create an annotated bibliography and cite all pictures and images on their board. The day of the competition, they are interviewed on their project by judges. For the performance, they had to research a topic, create an original script, decide on costuming, create a backdrop, and props, write a process paper with annotated bibliography, and also get interviewed by judges. These are a lot of work. I am so proud of how these kids represented Kingsley-Pierson. The 5th grade will represent Kingsley-Pierson at the end of May at the state competition.

5th Grade-Exhibits

Harrison Nissen, Jaelyn Riemenschneider, and Elyn Krohn- Jane Goodall

6th Grade - Group Performance

Babe Didriksen: The Girl Who Never Gave Up
Emy Benson, Rachel Bohle, Delaney Iseminger, Halle Collins, Abby Reinking

6th Grade - Exhibit

- Jaden Clements and Gavin White - *Vince Cerf: Inventing the Internet*
- Shelby Schwietzberger - *Oskar Schindler*
- Blake Morgan - *Nelson Mandela*
- Payton Manker and Emily Redinius - *Michael Jackson*
- Paige Huth, Collin Verschoor, and Olivia Krohn - *Hitler: Leader of the Nazis*
- Lauren Krohn & Kate Martensen - *Helen Keller and her Journey Into the Light*
- Shayley Haggin - *Gabby Douglas: America's Golden Girl*
- Lily Koon, Shayleigh Todd & Ashley Schroeder - *Elvis Presley*
- Jackson Boustead and Kole Reis - *Davy Crockett: King of the Wild Frontier*
- Cale Anstine, Dustie Plendl & Lane O'Connell - *Chris Kyle: American Sniper Hero*
- Boe Harvey and Keegan Bainbridge - *Bo Jackson: A Baseball Football Life*
- Paige Kuchel and Rachael Vos - *Anne Frank: Now and Forever*
- Grace Vos and Emilee Beekman- *Annie Oakley Shoots Again*

7th Grade

Trent Lammers, Emily Kraft, & Matthew Christopherson -
Ben Franklin: The Man With a Shocking Mind

Matt Riordan, Damon Bowman, and Alex Thompson - *Jackie Robinson*

Curriculum Corner

By: Amy Benson

Here we are in the last quarter of school already. I feel like I have learned just as much as the students have this year! Please encourage your child(ren) to finish strong just like they started the year. I have been rapidly working on planning professional development for next year. This is an arduous task as I am planning for 3 districts and to make things even more challenging, they all have professional development on Wednesdays after school. This year I have dedicated the first Wed. of the month to Kingsley-Pierson as that is their only p.d. day of the month. Whiting and LB get out each Wednesday early and have p.d. for one hour. I have been leading professional development in Whiting on the 2nd and 4th Wed. of the month. They are in their PLC's on the 1st Wed. and they have the 3rd Wed. "open" for other things that come up such as staff meetings/ and or work time in their rooms. This schedule has allowed me very little time to be in Lawton-Bronson. LB's elementary is looking to adopt a new reading curriculum, and that has been my focus for them finding and requesting book samples, talking to book publishing representatives, and scheduling p.d. time to meet those needs. Yesterday we had an hour webinar with Reading Streets to learn more about their series and as a q/a time period.

At LB we are currently in a frenzy getting ready for our site visit. As you may or may not know, a team from the state and surrounding areas visit each district once every five years. This requires a lot of work by the superintendent to make sure all documents are in order and committees are formed for interviews. You may have been interviewed before as either a student, parent, teacher, or community member. It is exciting showcasing all the wonderful things we are doing at LB.

I would once again like to thank the Booster Club for sponsoring our "Panther Shout-out's!" The winners for 3rd quarter were Marie Washburn and Laura Boustead. Laura wrote a shout-out to Marie for all her help this year as Laura is adjusting to life as a Panther. The ladies each received a \$25 gift card to Texas Roadhouse compliments of the Panther Booster Club. Thanks to everyone that submitted a shout-out!

Heroes' Day 2015

On Tuesday, March 10th, 2015, the 8th grade Language Arts classes presented the 6th annual Heroes' Day program to a large crowd. The day began in the Pierson gym where people were greeted by Abbey Riemenschneider. Each student in the class took their turn reading their essay about their hero to the group.

The heroes ranged from family members, teachers, and also community members. A power point had a picture of each student's hero projected as they read their essays. After the speeches, the group gathered in the commons for a breakfast. The food had been prepared by some of the 8th grade students.

The class selected the colors black and hot pink as their color scheme for the event. The students did a great job decorating and preparing for the event. The kids brought in \$5 to cover the costs of food and decorations. It was a day to remember those who have made an impact on their lives. Thank you to all who participated and supported our wonderful day!

Holocaust Speaker

The Kingsley-Pierson 7th Graders have been learning about the Holocaust in Language Arts and Social Studies. To wrap up the unit of study, the students had the amazing opportunity of meeting Holocaust concentration camp survivor, Ted Orzechowski. Mr. Orzechowski is the grandfather of KP 7th grader Alison Orzechowski. Alison invited her grandfather into her Social Studies class to share his story and memories of surviving the Holocaust.

He told the students about being transported out of Poland via train, taking care of the German war mules in the mountains, his life within the camps, how it felt being liberated by the Americans, and the survival of his family members. Having Mr. Orzechowski speak to the students gave them a first hand experience and understanding of the topics they studied throughout the Holocaust unit. Mr. Orzechowski was an amazing speaker and the students were very appreciative to have had the opportunity to hear about his life.

News from Mrs. Goodwin

SPORTS SCHEDULES: Spring sports have started!! Track has attended a few indoor meets and their outdoor season starts on March 31st in Holstein. Golf just started practice and their first conference meet is on April 7th. Winter Sports Banquet was a success! We have amazing student-athletes at KP and is nice to honor them. Thank you to all who attended. We tried a potluck this time and the Booster Club provided the drinks, place settings, etc. Thank you to Amber and Mary!

Thank you to the Panther Ball committee for all their hard work to make this years' ball a success. Thank you to the high school students who helped decorate and work and to Terri Smith for helping to wash all the dishes again! So proud to be a Panther!!

Please utilize our Kingsley-Pierson website for updated schedules and gym times. You can locate gym times under the "community" link. Please contact me for gym times. We also have a gym divider/curtain in the Kingsley gym so we will be able to schedule more youth teams for practices. Please remember to supervise your kids at all times. YOU MUST have an ADULT supervising any high school kid or younger at the school. Please do not take/play with equipment from storage rooms or bounce balls out in the commons.

IMPORTANT DATES:

Home track meets: April 13th and May 7th
 HOST 2A District Co-Ed meet on May 14th
 ELEMENTARY TRACK MEET MAY 18TH @ 1PM

PE NEWS: JH PE students need to change into PE clothes (i.e. t-shirt AND shorts) as well as indoor. Clean PE shoes. These are easy points to earn for your PE grade. We just started the Presidential Physical Fitness testing in the JH. K-4 will begin after Easter Break.

JUMP ROPE & HOOPS for HEART events will be held during regular PE classes. All fundraising envelopes and money should be turned in now. Prizes will take 6 weeks to arrive. There were a lot of ducks delivered and the duck pond is full!! Thank you to all who helped to save lives. I will put the total amount raised in the next newsletter. If we raised enough, we qualify for a gift certificate to order new PE equipment. Remember your child didn't have to raise money to be able to participate!!

Also, remember if you child has seen a doctor and they are excused from PE for any medical reason, they will need a note from their doctor or from you, the parent/guardian, saying that they are OK to participate. Thank you for your cooperation!

2015 KP-WC TRACK & FIELD SCHEDULE

DAY	DATE	EVENT	TEAM	LOCATION	TIME	BUS DEPT.
