October. More details in the next newsletter.

2013 yearbooks will go on sale at the end of high school office if you are interested. The cost is $45. There are also many extras left from various other years if anyone is interested. The cost for those would vary depending upon the year. Contact the office. 2012 yearbooks are still available at the high school office. Colten Hansen and Mr. Schroeder.

Publications students attended the Jostens Workshop in Sioux Falls. Staff members included: Katherine Mills, Keely Collins, Heath Hackett, Brooke Wilson, Sabrina Moulux, Levi Mahrt, Danielle Groepper, Sophia Finauga, Colten Hansen and Mr. Schroeder.

2012 yearbooks are still available at the office. The cost is $45. There are also many extras left from various other years if anyone is interested. The cost for those would vary depending upon the year. Contact the high school office if you are interested. The 2013 yearbooks will go on sale at the end of October. More details in the next newsletter.

A Note from the Superintendent

Welcome back to a new school year and the next edition of the Kingsley-Pierson Community School Newsletter. I want to thank Mr. Mark Schroeder and his yearbook staff for putting together our monthly newsletter. We will again be sending this out via email, in PDF format, and placing copies of each in the Kingsley and Pierson Public Libraries. We feel this is an additional way to get information out to the community on what is happening in our district.

CBM Managed Services, our food service management company, has provided our students and staff with quality meals at a good price. They have pledged to provide a healthier, more homestyle cooked meal, the best quality food and service available with a variety of choices, constant contact with students and parents, and a unique wellness curriculum. I understand there has been some concern regarding the portion sizes but please understand, this is a federal requirement and out of our control. Feel free to write your congressman and voice your concerns. I know the high school government class is writing Steve King to voice theirs.

The start of school also seems to trigger the start of cold and flu season. Because of this, I wanted to take a moment to share some precautionary measures everyone can take. To help with our record keeping, please call the school if your child is home sick.

1. Practice good hand hygiene by washing your hands with soap and water, especially after coughing or sneezing. Alcohol-based hand cleaners also are effective.
2. Practice respiratory etiquette by covering your mouth and nose with a tissue when you cough or sneeze. If you don’t have a tissue, cough or sneeze into your elbow or shoulder, not into your hands. Avoid touching your eyes, nose, or mouth; germs spread this way.
3. Know the signs and symptoms of the flu. Influenza symptoms include fever and/or chills and a cough. In addition, symptoms of the flu can include sore throat, runny nose, body aches, headache, tiredness, diarrhea, or vomiting.
4. Go home if you have the flu or flu-like illness, and stay there for at least 24 hours after your fever is gone. Your fever should be gone without the use of fever-reducing medications (any medicine that contains ibuprofen or acetaminophen).

As we close in on the end of the first quarter, just a few short weeks away, help you child continue with good study habits.

1. Designate a study time and place. Students are assigned homework to help them practice the skills learned at school. Every home needs a setting that provides a quiet atmosphere for your child to study.
2. Eat breakfast. Research tells us that students who eat breakfast learn better. The brain needs nourishment just as a car needs gasoline.
3. Have a set time for reading at your home, no matter how old the child. Parents can help improve a child’s ability to read by having a designated reading time for the family. This may be individuals reading, children reading to parents, parents reading to children, or children reading to children. Parents need to model the importance of reading to their children, as well.

We are off to a great school year. Kingsley-Pierson has traditionally had fantastic community support for the educational opportunities the school is able to offer. We will continue to work with our parents and community to meet the needs of our students.
Elementary Comments

- Mr. Wiese

“Be All You Can Be” from the K-P Elementary! It is awesome to see the students at KP every day. Special “thanks” again goes out to the KP Boosters this year for their continued support of K-P. All of the elementary students received a t-shirt (each grade has a unique color) from the Boosters and it was quite the site to see all of the t-shirts during Homecoming, school, and at many other events! Finally, thank you again for your great attendance at the “Open House”!

The first quarter is already 50% complete and concludes on October 18. Grade reports (4.5 weeks) were sent home recently for the 3rd & 4th grade students. We want to always have a great partnership between the school and parents. Also remember to please send in Box Tops and Land-O-Lakes Milk Lids. Most of you browse at the Kingsley-Pierson web site on a regular basis. Please be sure to use the “JMC Parent Access” option to keep track of your child (same user names and passwords from last year). The “look” is a little different but the options have expanded and we encourage you to use them. Also please use the “Calendar” link on the website to see current events of the district!

Parent-Teacher Conferences are scheduled for October 23 and 25, so please make every effort to attend this special time. (Note: I will be in the Kingsley building for the most part on October 23 and the Pierson building for the most part on October 25.) Thank you for taking an active role in your child’s education!

To date the elementary has experienced two assemblies/gatherings. Our first get-together included the annual “Grandparent’s/Special Friend’s Day” on Friday, August 31. The attendance of this event was incredible, and the extra efforts shown by all involved are much appreciated. This year I would like to again recognize two new ladies for this event: Emily Harvey and Shelby Harvey. These two individuals took the lead and I appreciate all of their efforts! Our second assembly included the 11th annual “Patriot’s Day” on Tuesday, September 11. It was a day to honor our past and current members of the armed forces, police and fire fighters, all other individuals who protect our country, and to remember all of those affected by this historical event. Mr. Vince Kurtz was our guest speaker. Mr. Kurtz works for the Iowa State Patrol and resides in Orange City, Iowa. Special “thanks” goes out to him for his time and talents!

Since the climate changes in Iowa, please make sure your child is prepared for the upcoming Fall weather. Mother Nature always keeps life interesting, so please send your daughter/son off to school with the appropriate apparel. Another reminder is to encourage your child to wash their hands often. The more sickness we can avoid the better (remember your child needs to be healthy for 24 hours before sending him/her back to school). Finally, the Iowa Assessments (formerly known as ITBS) will start on November 6! Please make sure your child eats a healthy breakfast daily and gets plenty of rest!!!

Third Grade News

The third grade has had a very busy start to the 2012-2013 school year! We have been reading stories about horses and volcanoes; we have been studying place value and reviewing math facts; and we have been studying communities in social studies. Our days seem to fly by!

We were happy to have so many grandparents, parents, and special friends visit our classrooms for Open House and Grandparents'/Special Friends’ Day. We truly appreciate the time you chose to spend with us. Your interest makes us feel like we are important and special to you! Thank you for helping us on our learning journey!

We have already taken our first field trip to Hillview Park near Hinton. We learned about the prairie, and we saw how dry the prairie habitat is this year. We talked about insects, and then we went in search of Monarch butterflies. We were able to catch 2 of them despite the lack of blooming flowers this year. Victoria, the Plymouth County naturalist, tagged them before they were released to continue their migration to Mexico. We hope we hear that both of them arrived safely.

The K-P Booster Club purchased T-shirts for the middle school and elementary school students again this year. You will recognize the third grade by their red shirts! Thank You to all who supported this Booster Club project.
School Health Information

I have been busy getting the proper health papers for new students and updating records for existing students. I have made several phone calls to parents regarding paperwork I may need yet. Please make arrangements to get those necessary documents to the school ASAP. I have obtained the height, weight and checked vision on all K-8 grade students. If you have received a vision referral letter in the mail, please attend to the letter and have your child’s vision rechecked by a vision specialist. Proper vision is vital to student learning.

Scrubby Bear from the American Red Cross visited with Kindergarten and first graders and I visited the 2nd-4th grade classrooms and discussed germ prevention and hand washing with them. We talked about ways to prevent others from getting our germs, especially when we are sick. If your child is spending extra time washing their hands, please encourage them to do so. Hand washing is the best defense against the spread of germs. In October, I will be teaching fire safety/prevention to 1st and 3rd graders and poison prevention to kindergartners, 2nd and 4th graders.

Mr. Wiese and I presented the puberty talk with the 5th grade students on September 28th. Jane Griesel from the CSADV will be presenting the “Flirt vs. Hurt” program to the 6th graders mid-October. Jane will also be in the high school to talk about dating violence with the senior Health students in October.

Cold and flu season will be here before we know it. TO KEEP OUR SCHOOL FUNCTIONING IN A NORMAL MANNER THIS COMING SCHOOL YEAR, following are a few things you can do to help:

- Teach your child to wash their hands often with soap and warm water or an alcohol-based hand sanitizer. You can also set a good example by doing this yourself.
- Teach your children not to share personal items like drinks, food or unwashed utensils and to cover their coughs and sneezes with tissues. Teach them to also cover their coughs or sneezes using the elbow or sleeve instead of the hand when a tissue is unavailable.
- Know the signs and symptoms of the flu or other contagious diseases.
- Keep sick children at home for at least 24 hours AFTER they no longer have a fever or do not have signs or fever, without using fever-reducing medications. Keeping children with a fever at home will reduce the number of people who may get infected.
- Do not send children to school if they are sick. Any children who are determined to be sick while at school will be sent home. If our child becomes ill, encourage plenty of fluids and rest and offer a healthy diet. Treat the symptoms they are having. You may want to contact your physician—there are medications that may lessen the severity of the symptoms or illness. It is best to be seen within the first 48 hours of onset. By acting quickly, you may prevent any further complications of the illness. COMPLYING TO THE SCHOOL HEALTH POLICIES WILL DECREASE THE AMOUNT OF CROSS CONTAMINATION WITHIN THE SCHOOL. If you have any questions or concerns, you may contact me at the school.

-Barb Sitzmann, School Nurse

Library News

The elementary library is off to a great start this year after our annual “Grand” Book Fair. We had a Scholastic Book Fair during our Grandparents/Special Friends day event on Friday August 31st. There was a great response and the kids and grandparents enjoyed looking through all the books. The book fair is always a great time to get kids excited about reading for the new school year and also helps our library purchase new books. With the profits from our “Grand Event” we will be able to provide many new books for the K-4th grade library. Thank you to all who help support our students and library.

Attention Youth Volleyball Players (grades 4-8)

On Thursday, October 4, 2012, all 4th-8th youth volleyball players are invited to the high school game to cheer on the Panthers as they take on the Lawton-Bronson Eagles. If you wear your jersey, you will be able to receive free admission. This is for the student only. The reserve team starts at 6:00 P.M. What a fun way to get the girls excited about volleyball and to help cheer the high school girls on to victory! If you have any questions, feel free to contact Amy Benson at the middle school.
Middle School Comments
- Mr. Wiese

The 2012/2013 school year started with an assembly for Grades 5-8 on Thursday, August 16 at 8:30 am. This annual event provided the opportunity to see all of the faculty and staff and to quickly go over many of the expectations at the middle school. “Thank You” again to the KP Boosters for the t-shirts for the entire student body during the Homecoming Week!!! The theme for the middle school this year is to “Be All You Can Be”!

The volleyball, football, and cheerleading programs are in full swing. The remaining volleyball games: October 1, 4, 9, & 15. The remaining football games: October 1, 8, & 16. The basketball season begins on Monday, October 22 (pre-season meeting during the school day before this date). Thank you for supporting our extra-curricular events.

In addition to the normal routine, our student body has participated in one other assembly on 911/12: Patriot’s Day. Mr. Vince Kurtz was our guest speaker and he held the attention of everyone with unique tidbits of information for the audience. Mr. Kurtz is an Iowa State Patrolman and resides in Orange City, Iowa.

A reminder that Parent-Teacher Conferences are scheduled for Tuesday, October 23 and Thursday, October 25. Our attendance for this event is excellent, and we hope to continue the past precedent! (Please Note: I will be in the Kingsley building for the most part on October 23 and the Pierson building for the most part on October 25.)

There are numerous documents sent home with your child. For students in 6th, 7th, & 8th grade, there are “3 Week & 6 Week Grade Reports” sent home (so please ask your son/daughter about them). For students in 5th grade, 4.5 week grade reports are sent home. Additionally, there may be forms for field trips, notes from the school nurse, Red Ribbon Week, etc. Also remember to please send in Box Tops and Land-O-Lakes Milk Lids.

The school year is off to a great start, and we look forward to working with you and your child. Your involvement in your child’s life is critical! Finally, the Iowa Assessments (formerly ITBS) will take place November 6-8ish! Please make sure your child eats a healthy breakfast daily and gets plenty of rest!!!

Most of you browse at the Kingsley-Pierson web site on a regular basis. Please be sure to use the “JMC Parent Access” option to keep track of your child (same user names and passwords from last year). The “look” is a little different but the options have expanded and we encourage you to use them.

Also please use the “Calendar” link on the website to see current events of the district and regular test dates!

Thank you for your help and support.
Middle School Celebrates Constitution Day

On September 17th all schools in the United States were to celebrate the Constitution in their classrooms. On September 17, 1787, the delegates to the Constitutional Convention met for the last time to sign the document they had created. All Americans are encouraged to observe this important day in our nation’s history. We celebrated Constitution Day through activities and learning of our love for the United State of America and the blessings of freedom our founding fathers secured for us.

This is how we celebrated the Constitution in the middle school:

**Mrs. Hagan** (5th grade) We did a crossword puzzle on the Constitution.

**Mr. Hackett** (science) We discussed Benjamin Franklin’s (one of the signers of The Constitution) accomplishments towards science.

**Mrs. Groetken** (resource room) In my math classes we did a coded math worksheet and then discussed the Constitution words that they found.

**Mrs. Lammers** (reading) Her classes completed a bell ringer about what makes the Constitution such an important document.

**Ms. Hoffman** (resource room) We had a partner writing assignment. They wrote about why they were proud to be Americans.

**Mrs. Sitzmann and Mrs. Benson** (math) Our students found out the Constitution was 225 years old this year and discussed why we still use a document that old.

**Mrs. Ploeger** (social studies) We talked about the freedoms given to us with the Constitution. We also reviewed the way our government works. We talked about our representatives in Iowa and how it was important to vote because our government is built on the foundation of WE THE PEOPLE. We created posters for a national contest showing how our rights are protected by the Constitution.

**Mrs. Benson** (English) In 6th grade we made Constitution Day flags where we wrote about why we were thankful to be Americans. In 7th grade we completed an activity to emulate how the thirty-nine writers felt when they set off to conquer the daunting task of writing the Constitution. In 8th grade we wrote poems titled “Proud to be an American.”

---

**FCCLA** (Family, Career, Community Leaders of America) have met twice this year. During our August meeting we set up a T-shirt committee, and discussed our agenda for the year. We also adopted rules for attendance at District Convention and other activities.

In September, our special guests were Jess and Kari Vondrak. They gave an inspirational talk concerning SMA and what their daily life is like. We worked on our projects for the family, voted on a T-shirt design and signed up for offices.

For the 2012 – 2013 school year our officers are:

- **Shawna Koch**, President
- **Brooke Vos**, Vice President
- **Jordyn Delfs**, Secretary
- **Keyanna Delfs**, Treasurer

In October we will be sponsoring a Pamper Chef Fundraiser. Our district meeting will be October 24 in Hinton. We plan to have a presentation over SMA and the “Vondrak Angels” at that time.

We are off to a good year and plan to be actively involved in our school and community. Thanks for your support.
**AP Literature & Composition Hosts Mythical Pageant**

After spending part of their summer vacation reading and writing about literature, this year’s Advanced Placement Literature and Composition class celebrated with a pageant. Fourteen gods, goddesses and other entities descended Mount Olympus to join class and share their histories. The varied beings, adorned in their traditional attire and carrying their related attributes, shared their stories with students in Mrs. Vondrak’s class. The gods, goddesses and other notable figures explained their roles in various mythological legends and why they became famed citizens through their stories.

Requirements for the pageant included: 1) dressing the part; 2) providing a written explanation for each class member; and 3) being able to identify the most important element of the person/figure. Representing the gods/goddesses and other figures were:

- **Jessica Bauerly:** Pallas Athena, goddess of handicrafts and agriculture
- **Keely Collins:** Aphrodite, goddess of love and beauty
- **Clint Donaldson:** Hades, god of the underworld
- **Stephen Edgar:** Hermes, god of shepherds, travelers, merchants & thieves
- **Mandy Fletcher:** Medusa, Greek gorgon
- **Heath Hackett:** Atlas, Titan who carries the weight of the world
- **Colten Hansen:** Poseidon, god of the sea and earthquakes
- **Megan Meister:** Nemesis, goddess of divine retribution
- **Katherine Mills:** Hestia, goddess of the hearth, architecture, family
- **Alex Plendl:** John Henry, symbol of strength
- **Savanah Rock:** Zeus, father of the gods, god of sky and thunder
- **Julee Shetler:** Artemis, goddess of the wilderness and fertility
- **Emily Stewart:** Persephone, goddess of spring
- **Becca Tharp:** Demeter, goddess of harvest, sacred law, sanctity of marriage

A contest among the participants challenged the students’ creativity and originality with their costumes and attributes. Winning this year’s contest was Heath Hackett, representing Atlas. Heath carried a large globe and recited his story to the class.

This is the fifth year that Kingsley-Pierson High School has offered Advanced Placement Literature and Composition. AP Lit and Comp allows students to take a college-level English course during their senior year. This year fourteen students are enrolled in APLC. Designed by Mrs. Vondrak, the course syllabus received approval from the National College Board. Students will examine and enjoy literature from the early 16th century through present time; they will also write their ideas about the literature they read through response journals to critical analytical papers. In May, the students will take the national AP English Literature and Composition exam.
SPORTS SCHEDULES: High School Fall sports are underway and it has been exciting. 8-man football has had some exciting games. We have had to cancel a lot of our JV FB games due to low numbers. VB has great numbers this year, so we are finally able to play reserve, JV andVarsity. They are working hard. Please remember to always stay positive with your cheering and sportsmanship. Keep up the good work and please continue to show your Panther Pride!

Please utilize our Kingsley-Pierson website for updated schedules and gym times. Mr. Peiffer and his classes will be keeping these up to date. You can locate gym times under the “community” link. This worked well last year and I have heard great comments again this year. We also have a gym divider/curtain in the Kingsley gym so we will be able to schedule more youth teams for practices. Please remember to supervise your kids at all times.

IMPORTANT DATES:
KP CC Invitational: October 2, 2012 at 4:30 (Please contact Coach Harpenau if you could volunteer.)
VB & CC senior parents’ night is: Oct. 11th (approximately at 7:45 or after JV match)
Senior parents’ night for FB is: Oct. 12th (done right at start of game)
Girls Volleyball Districts: October 16, 2012 KP vs. River Valley 7pm @ Kingsley
Girls Basketball Starts: November 5, 2012
Boys Basketball & Wrestling starts: November 12, 2012
FALL SPORTS BANQUET: We will be having a Fall Banquet, Winter Banquet, Spring Banquet and Summer Banquet. The tentative date for the fall sports banquet is November 1st. More details will follow in the upcoming weeks.

PE NEWS: Elementary and JH PE have been outside as much as possible, pending weather. We are enjoying the beautiful Fall and getting a lot of exercise. We will have Bus Safety in October as well as Bus safety for K-8th, (9th-12th with HS PE)
I talked to the kids on the first day of PE about the importance of locking their belongings up. ALWAYS lock your things up!
JH PE students need to change into PE clothes (i.e. t-shirt AND shorts) as well as indoor. Clean PE shoes. These are easy points to earn for your PE grade.

Also, remember if you child has seen a doctor and they are excused from PE for any medical reason, they will need a note from their doctor or from you, the parent/guardian, saying that they are OK to participate. Thank you for your cooperation!

SCHOOL SONG

Onward Panthers
Onward Panthers
Fight on for your fame.
When we fight with all our might
Our team will win that game.
Onward Panthers
Onward Panthers
Raise your banners High!
Fight, Panthers,
Fight, Fight, Fight!
For Panther Pride.

CONDUCT COUNTS
In this EDUCATIONAL INSTITUTION these behaviors are NOT acceptable:

- Disrespectful conduct, including profanity, obscene gestures or comments, offensive remarks of a sexual nature, or other actions that demean individuals or the event.
  Penalty - EJECTION
- Throwing articles onto the contest area.
  Penalty - EJECTION
- Entering the contest area in protest or celebration.
  Penalty - EJECTION
- Physical confrontation involving contest officials, coaches/directors, contestants or spectators.
  Penalty - EJECTION
- Spectator interference with the event.
  Penalty - EJECTION
- Jumping up and down on the bleachers.
  Penalty - Warning/EJECTION
- Use of artificial noisemakers, signs or banners.
  Penalty - Warning/EJECTION
- Chants or cheers directed at opponents.
  Penalty - Warning/EJECTION
THE GUIDANCE OFFICE

The senior interviews are in progress. The Class of 2013 will need to complete the Senior Guideway in the I Have A Plan program. I am having the seniors begin the guideway at the senior interview. The December 8, 2012 ACT registration deadline is November 2. Seniors should be working on college visits and college applications at this time. The college applications can be found online at each college website. Most scholarship deadlines are during the months of December through March and I do recommend students planning to apply for scholarships have their ACT’s completed by that time.

COLLEGE VISITS: The school policy for college visits allows seniors to visit colleges of their own choice. The guidance office can make the appointments but I think parents know their own schedule and will have an easier time making the appointments. Most college admissions offices have toll free numbers to use for making appointments. Students will need to get a blue parent permission form from the guidance office and this form will need to be completed and signed by the parents. If the office receives this form from the student, they will not be counted absent for college visits. Most large universities require students to make an appointment two weeks in advance of the visit. Many of the other colleges would like at least a week notice before a student schedules a college visit.

www.fastweb.com: This website provides college and scholarship searches free of charge. The students will need to make an account and check their e-mail regularly.

TRI-STATE COLLEGE FAIR: The Tri-State College fair is Sunday, October 14, 2012 from 12:30-3:00 P.M. This college fair is at the Marina Center in South Sioux City on 4th and B streets. It is the large blue building across the parking lot from the Marina Inn. This college fair allows students the opportunity to visit with about 90 colleges, technical schools, and military recruiters from the tri-state area as well as some colleges from Minnesota and Kansas. There will also be free financial aid sessions offered for parents and students. All students’ grades 9-12 are encouraged to visit this college fair. The colleges would like each student attending to apply for a barcode at NebraskaCollegeFairs.org. The recruiters will scan the barcode and they will have the students name and address (only if the student desires more information).

LEMARS COLLEGE FAIR: The College Night at LeMars Community High School will be on October 8 from 6:00 P.M. to 7:30 P.M. They will have approximately 75 college/military representatives at their College Night.

JUNIOR/SOPHOMORE TESTS: The PSAT/NMSQT is Wednesday, October 17, 2012 from 8:30-11:30 A.M. in the high school library. Sophomores and juniors with a “B” grade point average or higher may take this test. This is the qualifying test for the National Merit Scholarship program. The juniors take the test to determine if they are eligible for the scholarship. The sophomores take the test as a practice test for their junior year. The test fee is paid by the student and this year the fee will be $14.00 per student.

HELPFUL GUIDANCE WEB-SITES:

www.fastweb.com –This is a free scholarship and college search website
www.actstudent.org –ACT test registration site
www.collegeboard.com/sat --SAT test registration site
www.finaid.org/fafsa --This is the Federal Financial Aid web site
www.finaid.org/calculator --A place to estimate what financial aid you might be eligible for
www.pin.ed.gov -- A place to receive a pin number necessary to complete financial aid on-line
Herbert Hoover Uncommon Student Award for high school juniors:
The Herbert Hoover Uncommon Student Award, a $5,000 scholarship program for Iowa juniors, does not evaluate grades, test scores, essays or financial need. Applicants propose a project they want to accomplish. Up to 15 juniors are chosen in April to participate and then complete their projects over the summer. In the fall of their senior year they make presentations about their projects to a panel of distinguished judges at the Hoover Presidential Library-Museum in West Branch, near Iowa City. Each student receives a $1,000 stipend. In addition, three are chosen to win $5,000 scholarships to be used at a two or four year college/university anywhere in the nation.

GUIDANCE CALENDAR

October 2: LaJames College of Hairstyling recruiter in the guidance office at 2:45
October 8: Morningside College representative in the guidance office at 1:30
October 8: College Fair at LeMars Community High School from 6:00 P.M. to 7:30 P.M.
October 11-16: Mrs. Delfs in the Pierson Middle School working with the 8th grade students
October 14: Tri State Area College Fair, 12:30-3:00 at the Marina Center in So. Soo. City, NE
October 17: PSAT/NMST exam in the high school library from 8:30-11:30 for eligible 10-11th students
October 27: ACT test date
November 1: Kirkwood Community College representative in the guidance office at 9:15 A.M.
November 1: Mount Marty College representative in the guidance office at 10:00 A.M.
November 1: Iowa Central Community College representative in the guidance office at 1:30 P.M.
November 2: Registration deadline for the December ACT test
November 4: Student applications and transcripts need to be received by the University of Northern Iowa for the UNI Business Freshmen Scholarship day on December 3. Students with ACT scores of 27 or higher are invited to attend this day. For more information, go to www.uni.edu/finaid and click on University Scholarship application.
November 5: Northwest Iowa Community College representative in the guidance office at 9:15 A.M.
November 6: Iowa Assessments begin for grades 1-11
November 15: deadline for the Hagan Scholarship-download application at www.hsfmo.org
Dear Senior Parents,

Just a reminder that your son/daughter’s senior picture for the yearbook is due by **Monday, December 3rd**. The photo must be **vertical** and preferably a head & shoulders shot. Digital pictures work best. Images may be e-mailed to maschroeder@kingsley-pierson.k12.ia.us pictures can also be brought in on a CD or flash drive.

In addition, if you would like to make a donation for a dedication to your senior, please include the donation, your name, and your senior’s name. The donation can be any amount, but we ask for a minimum of $25.

The yearbook staff will include your son/daughter’s senior picture along with a photo of your choice, next to your note of contribution. If you wish to use a different senior picture other than the one used at the beginning of the book, you may do so (**it can be either vertical or horizontal**). The dedication pages will look similar to the ones shown below. The deadline for the dedication pages is also **Monday, December 3rd**.

Thank you for your support.

Sincerely,

Mr. Schroeder & The Panther Staff

*The purchase of gift cards, Barnes & Noble memberships, textbooks, magazine subscriptions, video games, purchases made at Café 1 owned and operated by Starbucks, and other items Barnes & Noble may exclude from time to time in its sole discretion are not eligible for bookfair sales. Institutional discounts may not be applied. See BN.COM/bookfairs for more details and to shop online.

Can't attend our bookfair at Barnes & Noble?
Visit BN.COM/bookfairs to support us online from 12/1/12 to 12/6/12 by entering Bookfair ID 10734994 at checkout.
A percentage of your Barnes & Noble purchases will benefit our school/organization.
