A Note from the Superintendent

Welcome back to a new school year and the next edition of the Kingsley-Pierson Community School Newsletter. I want to thank Mr. Mark Schroeder and his yearbook staff for putting together our monthly newsletter. Also, thank you to the teachers who take time to write articles to share with the community.

The start of school also seems to trigger the start of cold and flu season and there have been numerous students and even staff sick. Because of this, I wanted to take a moment to share some precautionary measures everyone can take. To help with our record keeping, please call the school if your child is home sick.

1. Practice good hand hygiene by washing your hands with soap and water, especially after coughing or sneezing. Alcohol-based hand cleaners also are effective.
2. Practice respiratory etiquette by covering your mouth and nose with a tissue when you cough or sneeze. If you don’t have a tissue, cough or sneeze into your elbow or shoulder, not into your hands. Avoid touching your eyes, nose, or mouth; germs spread this way.
3. Know the signs and symptoms of the flu. Influenza symptoms include fever and/or chills and a cough. In addition, symptoms of the flu can include sore throat, runny nose, body aches, headache, tiredness, diarrhea, or vomiting.
4. Go home if you have the flu or flu-like illness, and stay there for at least 24 hours after your fever is gone. Your fever should be gone without the use of fever-reducing medications (any medicine that contains ibuprofen or acetaminophen).

As we close in on the end of the first quarter, just a few short weeks away, help your child continue with good study habits.

1. Designate a study time and place. Students are assigned homework to help them practice the skills learned at school. Every home needs a setting that provides a quiet atmosphere for your child to study.
2. Eat breakfast. Research tells us that students who eat breakfast learn better. The brain needs nourishment just as a car needs gasoline.
3. Have a set time for reading at your home, no matter how old the child. Parents can help improve a child’s ability to read by having a designated reading time for the family. This may be individuals reading, children reading to parents, parents reading to children, or children reading to children. Parents need to model the importance of reading to their children, as well.

Come out to support our athletic teams in the various activities they participate in. It gets them motivated to see and hear an enthusiastic and supportive crowd. We are able to broadcast home events out over the internet so if you are in the commons or even at home and wish to watch the teams play or students participate in concerts, check it out on thecube.com. There is also a link on the school website.

We are off to a great school year. Kingsley-Pierson has traditionally had fantastic community support for the educational opportunities the school is able to offer. We will continue to work with our parents and community to meet the needs of our students.

2015 yearbooks are still available at the office. The cost is $40. There are also many extras left from various other years if anyone is interested. The cost for those would vary depending upon the year. Contact the high school office if you are interested. The 2016 yearbooks will go on sale at the end of October. More details in the next newsletter!
**Elementary Comments**

- Mr. Wiese

“The Climb” from the K-P Elementary! Our journey this academic year includes an emphasis on reading! It is awesome to see the kids at K-P. Special “thanks” again goes out to the KP Boosters this year for their continued support of K-P. All of the elementary students received a t-shirt from the Boosters! Finally, thank you again for your great attendance at the “Open House” way back on August 20!

The first quarter is going by quickly and ends on October 23. Grade reports (4.5 weeks) were sent home recently for the 3rd & 4th grade students. We want to continue a great partnership between the school and parents. Most of you browse the Kingsley-Pierson web site on a regular basis. The look has changed this year! The web address is www.k-pcsd.org and continues lots of great data. Please be sure to use the “JMC Parent Access” 2015-2016 option to keep track of your child (same user names and passwords from last year). Please use the “Calendar” link on the website to see current events of the district.

All students (K-4) in the elementary took part in the F.A.S.T. (Formative Assessment System for Teachers) testing recently. The testing takes place three times throughout the school year. Results are discussed in detail at parent-teacher conferences.

Homecoming Week was a blast in the elementary! Thank you for having your child dress up and show top-notch “Panther Spirit”! Go Panthers!!!!!!!!!

Parent-Teacher Conferences are scheduled for October 27 and 29, so please make every effort to attend this special time. (Note: I plan to be in the Kingsley building for the most part on October 27 and the Pierson building on October 29.) Thank you for taking an active role in your child’s education! Red Ribbon Week is held this week too (more details to come).

Our first get-together included the annual “Grandparent’s/Special Friend’s Day” on Friday, September 4. The attendance of this 27th Annual Event” was amazing, and the extra efforts shown by all involved are much appreciated. Also, for the first time that I know of, we had the K-P HS student council help out and it was much appreciated! This year I would like to again recognize Emily Harvey and Shelby Harvey. These two individuals took the lead and I appreciate all of their efforts! Our second assembly will be held in October. It will include the opportunity to participate in bringing in Box Tops, an on-line fundraiser, and a new display in the commons “showcasing” our students in the elementary.

Since the climate changes in Iowa, please make sure your child is prepared for the upcoming Fall weather. Mother Nature always keeps life interesting, so please send your daughter/son off to school with the appropriate apparel. Another reminder is to encourage your child to wash their hands often. The more sickness we can avoid the better (remember your child needs to be healthy for 24 hours before sending him/her back to school). Please make sure your child eats a healthy breakfast daily and gets plenty of rest!!!!!
School Health Information

I have been busy getting the proper health papers for new students and updating records for existing students. I have made several phone calls to parents regarding paperwork I may need yet. Please make arrangements to get those necessary documents to the school ASAP. I have obtained the height, weight and checked vision on all K-8 grade students. If you have received a vision referral letter in the mail, please attend to the letter and have your child’s vision rechecked by a vision specialist. Proper vision is vital to student learning.

I will be visiting the K-4th grade classrooms and discuss germ prevention and hand washing with them. We will talk about ways to prevent others from getting our germs, especially when we are sick. If your child is spending extra time washing their hands, please encourage them to do so. Hand washing is the best defense against the spread of germs.

Mr. Wiese and I have presented the puberty talk with the 5th grade students. A guest speaker from the CSADV will be presenting the “Flirt vs. Hurt” program to the 6th graders early October. Several guest speakers will be talking with the high school health students regarding general mental health disorders, substance abuse and eating disorders, over the next few weeks.

Cold and flu season will be here before we know it. TO KEEP OUR SCHOOL FUNCTIONING IN A NORMAL MANNER THIS COMING SCHOOL YEAR, following are a few things you can do to help:

Teach your child to wash their hands often with soap and warm water or an alcohol-based hand sanitizer. You can also set a good example by doing this yourself.

Teach your children not to share personal items like drinks, food or unwashed utensils and to cover their coughs and sneezes with tissues. Teach them to also cover their coughs or sneezes using the elbow or sleeve instead of the hand when a tissue is unavailable.

Know the signs and symptoms of the flu or other contagious diseases.

Keep sick children at home for at least 24 hours AFTER they no longer have a fever or do not have signs or fever, without using fever-reducing medications. Keeping children with a fever at home will reduce the number of people who may get infected.

Do not send children to school if they are sick. Any children who are determined to be sick while at school will be sent home. If our child becomes ill, encourage plenty of fluids and rest and offer a healthy diet. Treat the symptoms they are having. You may want to contact your physician- there are medications that may lessen the severity of the symptoms or illness. It is best to be seen within the first 48 hours of onset. By acting quickly, you may prevent any further complications of the illness. COMPLYING TO THE SCHOOL HEALTH POLICIES WILL DECREASE THE AMOUNT OF CROSS CONTAMINATION WITHIN THE SCHOOL. If you have any questions or concerns, you may contact me at the school.

-Barb Sitzmann, School Nurse
The 2015/2016 school year kicked off with an assembly for Grades 5-8 on Monday, August 24 at 8:30 am. This annual event provided the opportunity to see all of the faculty and staff and to quickly go over many of the expectations at the middle school. “Thank You” again to the KP Boosters for the t-shirts for the entire student body during the Homecoming Week!!! The theme for the middle school this year is “The Climb”!

The volleyball, football, and cheerleading programs are in full swing. Please check the on-line calendar for the remaining games. The basketball season begins around October 21 (pre-season meeting during the school day before this date). Thank you for supporting our extra-curricular events. Thank You Panther Fans!!!!!

Homecoming Week was a blast in the Middle School! Thank you for having your child dress up and show amazing “Panther Spirit”! Go Panthers!!!!!!!

A reminder that Parent-Teacher Conferences are scheduled for Tuesday, October 27 and Thursday, October 29. Our attendance for this event is excellent, and we hope to continue the past precedent! (Please Note: I will be in the Kingsley building for the most part on October 27 and the Pierson building for the most part on October 29.) Red Ribbon Week is usually held this week too (more details to come).

There are numerous documents sent home with your child. For students in 6th, 7th, & 8th grade, there are “3 Week & 6 Week Grade Reports” sent home (so please ask your son/daughter about them). For students in 5th grade, 4.5 week grade reports are sent home. Additionally, there may be forms for field trips, notes from the school nurse, Red Ribbon Week, etc. (Also remember to please send in Box Tops).

The school year is off to a great start, and we look forward to working with you and your child. Your involvement in your child’s life is critical! Please make sure your child eats a healthy breakfast daily and gets plenty of rest!!!

Most of you browse at the Kingsley-Pierson web site on a regular basis. Please be sure to use the “JMC Parent Access” 2015-2016 option to keep track of your child (same user names and passwords from last year). The school main site has been upgraded and looks awesome!

www.k-pcsd.org

Also please use the “Calendar” link on the website to see current events of the district and regular test dates!

Chromebooks take over Middle School Keyboarding Lab

Thanks to a $10,000 grant from the Missouri River Historical Development, all of the PC’s in the middle school keyboarding lab were replaced with Chromebooks. The money was awarded in May and the computers were purchased during the summer.

Students are now learning various Google applications, which will carry them into high school and beyond. Parents and community members are invited to tour the lab during parent-teacher conferences on October 27th and 29th.
SPORTS SCHEDULES: High School Fall sports are underway and the excitement is spreading K-12. The school spirit at the High School and Junior High events is impressive. Keep up the good work. Thank you to Coach Harpenau, Terry and everyone who made our cross country meet a success! It was a beautiful day and our athletes did great. Thank you to Doosky’s who let us host every year. Keep up the good work and please continue to show your Panther Pride!

Our “Coaches vs. Cancer”/Stand up to Cancer night was a success. Thank you to Dr. Krohn, Mrs. Huth, Jenny Howe and everyone else who helped make it possible!!

WAY TO GO PANTHERS!!!
Please utilize our Kingsley-Pierson website for updated schedules and gym times. I will be keeping these up to date. You can locate gym times under the “community” link. Please remember to supervise your kids at all times and DO NOT prop the southwest doors open! There have been many things in the gym and school broken after the gym has been reserved by different groups. PLEASE, be respectful of our school and if something happens, please inform the school.

IMPORTANT DATES:
VB & CC senior parents’ night is: Oct. 13th (approximately at 7:30 or after JV match)
Senior parents’ night for FB is: Oct. 23rd (done right at start of game)
Girls Volleyball Districts: Oct. 20th @7pm KP vs. COU in Kingsley
Cross Country Districts: Oct. 22nd @ Unity Christian
Girls Basketball Starts: November 9, 2015
Boys Basketball & Wrestling starts: November 16, 2015

SAVE THE DATE: PANTHER BALL February 27, 2016

PE NEWS: Elementary and JH PE have been outside as much as possible, pending weather. We are enjoying the beautiful Fall and getting a lot of exercise. We will have Bus Safety in October as well as Bus safety for K-8th. (9th-12th with HS PE)

I talked to the kids on the first day of PE about the importance of locking their belongings up. ALWAYS lock your things up!
JH PE students need to change into PE clothes (i.e. t-shirt AND shorts) as well as indoor. Clean PE shoes. These are easy points to earn for your PE grade.

Also, remember if you child has seen a doctor and they are excused from PE for any medical reason, they will need a note from their doctor or from you, the parent/guardian, saying that they are OK to participate. Thank you for your cooperation!
When August rolls around, we educators hit the ground running! There is no easing back into the school groove. It is just go hard or go home! I am amazed at how quickly the year is going. What did I hear today on the radio? Eighty-two days until Christmas or something like that. Anyway it’s great to be back. My job did change a little this year as I am no longer working with Whiting Community School District. Mr. Thelander, Superintendent at Lawton Bronson, and Mr. Bailey, Superintendent at Kingsley-Pierson, thought it would be in my and the school’s best interests to begin working with Woodbury Central. It is centrally located between my other two districts which is a bonus for me. However, I do miss the staff at Whiting terribly! Loved it down there! So far I have enjoyed my time at WC. They have never applied for the TLC (Teacher Leadership and Compensation) Grant and since this is year 3, this is their last opportunity. I am currently writing that with a great team of administrators and teachers. The deadline this fall is rapidly approaching—Oct. 16th!

We began our year with a joint teacher in-service session with Lawton Bronson. The 5-12 teachers from KP headed to Lawton on Aug. 20th as a collaborative AIW (Authentic Intellectual Work) kickoff. It was a great experience. I only wish we could’ve collaborated more with our LB colleagues. AIW will be our professional development focus this year in KP and LB. In the elementary at KP, our K-4 teachers will focus their learning on F.A.S.T. (Formative Assessment System for Teachers) and E.L.I. (Early Literacy Intervention) training.

I have been attending many workshops lately. I am currently attending two AIW Cohorts specializing in Value Beyond School and Substantive Conversation. At LB I am also the Olweus (Anti-Bullying) Coordinator. We met for two days before school began to train our elementary coordinating committee.

At KP we are continuing to build positive school climate. Once again we are using the “Panther Shout-Out’s.” A special thank you to the KP Booster Club for donating gift cards to Outback and Applebee’s for the winners this year. We will be drawing for our first two winners at the end of this month as the quarter will be finished. I am always amazed at the commitment and talent I get to work with everyday. Everyone from the custodians to the administrators give 110% to make Kingsley-Pierson the best school district in Northwest Iowa!
THE GUIDANCE OFFICE

The senior interviews are almost completed. The Class of 2016 will need to complete the Senior Guideway in the I Have A Plan Iowa program. The December 12 ACT registration deadline is November 6. Seniors should be working on college visits and college applications at this time. The college applications can be found online at the each college website. Most scholarship deadlines are during the months of December through March and I do recommend students planning to apply for scholarships have their ACT’s completed by that time.

COLLEGE VISITS: The school policy for college visits allows seniors to visit colleges of their own choice. The guidance office can make the appointments but I think parents know their own schedule and will have an easier time making the appointments. Most college admissions offices have toll free numbers to use for making appointments. Students will need to get a blue parent permission form from the guidance office and this form will need to be completed and signed by the parents. If the office receives this form from the student, they will not be counted absent for college visits. Most large universities require students to make an appointment two weeks in advance of the visit. Many of the other colleges would like at least a week notice before a student schedules a college visit.

College scholarship applications are online. On the college website, look for the financial aid section. In this section, there will be college scholarship applications and many of those colleges will have a separate button for freshmen scholarships. It is important to look at this site immediately because those deadlines are approaching.

www.fastweb.com This website provides college and scholarship searches free of charge. The students will need to make an account and check their e-mail regularly.

www.ihaveaplaniowa.gov is an excellent resource for students planning to attend college. This site has college information, scholarship search service, ACT and SAT practice test questions, as well as information about careers. The students have an account started and parents are able to have their own account. The State of Iowa has some scholarships opportunities and these scholarships are listed on this site. Please check this out as soon as possible.

LEMARS COMMUNITY SCHOOL COLLEGE NIGHT: The College Night at LeMars Community High School will be on October 12 from 6:00 P.M. to 7:30 P.M. They will have approximately 75 college/military representatives at their College Night.

JUNIOR/SOPHOMORE TESTS: The PSAT/NMSQT is Wednesday, October 14 from 8:30-11:30 A.M. in the high school library. Sophomores and juniors with a “B” grade point average or higher may take this test. This is the qualifying test for the National Merit Scholarship program. Sophomores/Juniors were asked to sign up for this test last May. Students take the test to determine if they are eligible for the scholarship. The sophomores take the test as a practice test for their junior year.

HELPFUL GUIDANCE WEBSITES:
www.actstudent.org –ACT registration site
www.collegeboard.com/sat -SAT registration site
www.finaid.org/fafsa -This is the Federal Financial Aid web site
www.finaid.org/calculator -A place to estimate what financial aid you might be eligible for.
www.pin.ed.gov –A place to register for a pin number for financial aid.

GUIDANCE CALENDAR:
October 12: College Fair at LeMars Community High School from 6:00 P.M. to 7:30 P.M.
October 13: The Juniors will be working on their I Have a Plan Iowa Junior Guideway
October 14: The Juniors will be working on their IHAPI Guideway
October 14: The Army recruiter will have a table in the Commons during lunch
October 14: PSAT/NMSQT exam in the high school library from 8:30-11:30 for eligible 10-11th students
October 15: The Sophomores will be working on their I Have a Plan Iowa Guideway
October 16: The Sophomores will be working on their IHAPI Guideway
October 22: The Waldorf College Representative will be in the Guidance Office at 9:00
October 23: The Kirkwood Community College Representative will be in the Guidance Office at 9:00
October 24: ACT test date
November 6: Registration deadline for the December ACT test
FRESHMEN TIPS

August Tips
• Start off on the right foot with your grades. Your freshman grades really do matter. Colleges look at your overall grade point average (GPA) through all four years of high school. It’s difficult to improve a GPA that starts off low.
• Find extracurricular activities that interest you and get involved. It’s a great way to meet new people! There are also scholarship opportunities for being involved in high school and community activities.
• Keep track of your assignments, test dates, activities and important events by using a planner or electronic organizer. Use it to set up a study schedule.
• Get to know your teachers, counselors and administrators so you know what resources are available in your school.

September Tips
• Did you know some colleges recommend you complete four years of English; three to four years of math, science and social studies; two years of electives; and two to four years of foreign language in high school? Work with your school counselor to make sure you’re on the right track.
• Set up an appointment with your school counselor to discuss your education goals. Before you meet with them, prepare a list of questions to ask.
• Talk to your parents and other adults in a variety of professions to determine what they like and dislike about their careers. Also find out what kind of education is required for each type of job.
• Get to know the four different types of postsecondary institutions. There are colleges and universities that offer four-year degrees and beyond, as well as community colleges and technical institutes that offer programs that can last 12 months to two years in length.

October Tips
• Talk with your parents about saving money for college. Take time to learn more about college savings plans.
• Know yourself. Think about what you like to do, what you’re good at and what you value most. The first step in career planning is self-discovery. Visit www.ihaveaplaniowa.gov, a no cost resource for education and career planning provided by the Iowa College Student Aid Commission and endorsed by the Iowa Department of Education.
• Start developing an activities portfolio to keep track of your extracurricular activities. It’ll become a great resource when you apply for scholarships during your junior year.
• Take a variety of classes from different subjects in high school. This approach will help you prepare for college-level courses.

November Tips
• Do you know the average cost of colleges in Iowa? How about out-of-state colleges? Explore college costs throughout the nation at www.ihaveaplaniowa.gov.
• Talk with your parents about your school and career plans. Discuss how you plan to reach your goals, and ask for their advice.
• Get into the habit of reading in your free time. Reading will help you develop a strong vocabulary, which is important on college entrance exams like the ACT® and SAT®.

December Tips
• Consider volunteering in your community. It can be a rewarding experience, and it could help you earn a scholarship. Many scholarships are awarded based on community service.
• How are your computer skills? Work to become adept in common computer applications such as Word, Excel® and PowerPoint® and learn to use the Internet to do research.
• If you have a checking account, balance your checkbook and keep track of all your debits and deposits.
• Do you have a favorite college sports team? Is there a college you’ve always dreamed of attending? Start searching for colleges today.
Dear Senior Parents,

Just a reminder that your son/daughter’s senior picture for the yearbook is due by **Wednesday, December 2nd**. The photo must be *vertical* and preferably a head & shoulders shot. Digital pictures work best. Images may be e-mailed to mrschroeder@k-pcsd.org pictures can also be brought in on a CD or flash drive.

![vertical orientation needed for senior section](image)

In addition, if you would like to make a donation for a dedication to your senior, please include the donation, your name, and your senior’s name. The donation can be any amount, but we ask for a minimum of $25.

The yearbook staff will include your son/daughter’s senior picture along with a photo of your choice. If you wish to use a different senior picture other than the one used at the beginning of the book, you may do so (*it can be either vertical or horizontal*). The dedication pages will look similar to the ones shown below. The deadline for the dedication pages is also **Wednesday, December 2nd**.

Thank you for your support.

Sincerely,

Mr. Schroeder & The Panther Staff
