A Note from the Superintendent

THE FIRST FEW WEEKS

The school year is off to a great start. Homecoming week was an enjoyable week full of fun activities for the kids topped off with a win at our football game.

We are already closing in on our final week or two of the first quarter and will soon have parent teacher conferences. Jody is in the process of scheduling these and notices will be going out shortly. If you get a chance to thank your son/daughter’s teacher, please do so. They have worked hard to make sure your son/daughter has had a great start to the school year.

We do have some great additions to our certified staff. If you get a moment, give a great big Panther Pride welcome to:

- Morgan Reinking - Kindergarten
- Brooke Wilson - 3rd Grade
- Morgan Mehrer - 4th Grade
- Greg Conry - 5th Grade
- Alex Brown - Science
- Jackie Schroeder - School Nurse

The football season is coming to an end with only a few games left and the volleyball team will soon be entering tournaments. Our shared KP-WC cross country team is rated in the state and will also be making an attempt to get to the state meet. Good luck to all these student athletes as they finish up their seasons.

MRHD Special Grant - Mr. Wiese and Mr. Schroeder receive a check from MRHD President Mark Monson for $40,000. The money will be used for STEM Modules that will upgrade the Tech Lab in the Pierson Middle School. Missouri River Historical Development awarded more than $1 million in grants to 20 non-profit organizations on September 27th. These special grants ranged from $25,000 to $100,000.
Elementary Comments
- Mr. Wiese

“Panther READiness” from the K-P Elementary! Our journey this academic year includes a continued emphasis on reading and making great choices! It is awesome to see the kids at K-P. Special “thanks” again goes out to the KP Boosters this year for their continued support of K-P. All of the elementary students received a t-shirt from the Boosters during Homecoming week! Finally, thank you again for your great attendance at the “Open House” way back on August 23!

The first quarter is going by quickly and ends on October 20. Grade reports (4.5 weeks) were sent home recently for the 3rd & 4th grade students. We want to continue a great partnership between the school and parents. Most of you browse the Kingsley-Pierson web site on a regular basis. The web address is www.k-pcsd.org and contains lots of great data. Please be sure to use the “JMC Parent Access” 2017-2018 option to keep track of your child (same user names and passwords from last year). Please use the “Calendar” link on the website to see current events of the district.

All students (K-4) in the elementary have to take part in the F.A.S.T. (Formative Assessment System for Teachers) testing the week of October 9. The testing takes place three times throughout the school year. Results are discussed in detail at parent-teacher conferences.

In addition for grades 1st-4th grades, we have our annual Iowa Assessments. Testing begins on October 24 and will conclude sometime the following week.

Fire Safety Week happens each year throughout the country. The elementary will have a fire truck visit on Friday, Oct. 6 in the morning! We sure want our kids to be safe and appreciate all that the fire fighters do for us!

Homecoming Week was a blast in the elementary! Thank you for having your child dress up and show top-notch “Panther Spirit”! Go Panthers!!!!!!!

Parent-Teacher Conferences are scheduled for October 24 and 26, so please make every effort to attend this special time. Thank you for taking an active role in your child’s education!

Our first get-together included the annual “Grandparent’s/Special Friend’s Day” on Friday, September 1. The attendance of this 29th Annual Event was amazing, and the extra efforts shown by all involved are much appreciated. This year I would like to again recognize Emily Harvey and Shelby Harvey. These two individuals took the lead and I appreciate all of their efforts! A “Photo Booth” was added this year and over $400 was donated for books in the elementary! Thank You! Your pictures can be picked up by your teacher at parent-teacher conferences!

The elementary has had two assemblies so far this year. One included a kick-off for the new school year and the other showcased “Schoolmall”. Fifty students participated in this voluntary event and all will receive a small gift on Dec. 22 for participating. In addition on Dec. 22, one student will be drawn out of a hat and win a cool robot (50 kids that participated). Please remember to send in Box Tops (we send them in twice a year-first round on Oct. 27.

Since the climate changes in Iowa, please make sure your child is prepared for the upcoming Fall weather. Mother Nature always keeps life interesting, so please send your daughter/son off to school with the appropriate apparel. Another reminder is to encourage your child to wash their hands often. The more sickness we can avoid the better (remember your child needs to be healthy for 24 hours before sending him/her back to school). Please make sure your child eats a healthy breakfast daily and gets plenty of rest!!!

“It is the policy of the Kingsley-Pierson Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy, please contact Rob Wiese, 322 Quest Ave. 712-378-2861, nwiese@k-pcsd.org. The Kingsley-Pierson Community School District offers career and technical programs in the following areas: Agricultural Education, Business Education, and Industrial Education.”
The third graders have had an AMAZING start to their year. In August, we read a book about a balloon launch called How to Survive Third Grade. We decided to have our own balloon launch. The balloons were released with a card including the name and school address of the third grade sender. If you find one, please write us back! The third graders also got to go to Hillview Park in Hinton to tag monarchs and explore prairies. We had a perfect day, but weren’t able to tag one monarch for their migration to Mexico. We have had a blast celebrating Homecoming week and showing our Panther Pride! We even made a poster to hang in the commons. Dressing up for the days of the week has been our favorite! GO PANTHERS!

The 2017/2018 school year kicked off with an assembly for Grades 5-8 on Wednesday, August 23 at 8:30 am. This annual event provided the opportunity to see all of the faculty and staff and to quickly go over many of the expectations at the middle school. “Thank You” again to the KP Boosters for the t-shirts for the entire student body during the Homecoming Week!!! The theme for the middle school this year is “Panther READiness”!

The volleyball, football, and cheerleading programs are in full swing. Please check the on-line calendar for the remaining games. The basketball season begins around October 23. Thank you for supporting our extra-curricular events. Thank You Panther Fans!!!!!

Homecoming Week was a blast in the Middle School! Thank you for having your child dress up and show amazing “Panther Spirit”! Go Panthers!!!!!!!!

A reminder that Parent-Teacher Conferences are scheduled for Tuesday, October 24 and Thursday, October 26. Our attendance for this event is excellent, and we hope to continue the past precedent!

There are numerous documents sent home with your child. For students in 6th, 7th, & 8th grade, there are “3 Week & 6 Week Grade Reports” sent home (so please ask your son/daughter about them). PE News: Elementary and JH PE have been outside as much as possible, pending weather. We are enjoying the beautiful Fall and getting a lot of exercise. We will be having Bus safety for K-8th. (9th-12th with HS PE) during the week of conferences.

I talked to the kids on the first day of PE about the importance of locking their belongings up. ALWAYS lock your things up!

JH PE students need to change into PE clothes (i.e. t-shirt AND shorts) as well as indoor. Clean PE shoes. These are easy points to earn for your PE grade.

Also, remember if you child has seen a doctor and they are excused from PE for any medical reason, they will need a note from their doctor or from you, the parent/guardian, saying that they are OK to participate. Thank you for your cooperation!
Welcome Back! What a crazy start we have had! Two years in a row, we have had a flood inside the school! What are the odds? I hope the “third time’s a charm” next year, and we start the year a little more smoothly with no pipes bursting! With all that aside, it appears to me that our students and staff are adjusting nicely. It does not take long to get into the routine and feel like we never left.

We have some new teachers at KP this year as we had many retire. Morgan Reinking is now teaching kindergarten for Mrs. Colfack. Brooke Wilson is the new third grade teacher replacing Ms. Hodnefield. Morgan Mehrer is our current fourth grade teacher replacing Mrs. Herbold, and Greg Conry is our new fifth grade teacher who took Mrs. Hagan’s position once she retired. In the high school, we have Alex Brown teaching science. I hope you get a chance to introduce yourself to all the “newbies.” They are working hard to learn their curriculum, students, and procedures here at KP. We are very happy to have them on board.

We retained our Teacher Leadership team from last year. Model teachers, who mentor new faculty, are Michelle Schroeder, Chuck Hackett, and Mark Schroeder. Digital Literacy Coaches, who aid teachers with technology integration, are Jackie Lammers and Erin Hoffman. Finally, Instructional Coaches collaborate with teachers to improve strategies and student achievement. Instructional Coaches are Amy Bailey, Laura Boustead, Valerie Sitzmann, Kris Hackett and Jayne Vondrak. Serving as Curriculum Director is Amy Benson.

The teacher leaders began preparing for the new year during the summer. Some of us attended a day long leadership training in Des Moines. Others attended a two day Teacher Leader Retreat in Sioux City. The Instructional Coaches also attended a two day workshop in Cherokee focused on Student Centered Coaching. The KP/WC team also met over the summer to plan our joint kickoff and discuss professional development for the year. I truly love our partnership with WC!

The teacher leaders began preparing for the new year during the summer. Some of us attended a day long leadership training in Des Moines. The KP/WC team also met over the summer to plan our joint kickoff and discuss professional development for the year. I truly love our partnership with WC!

Our Teacher Leadership kickoff this year was another success. We met in the Kingsley Auditorium to learn about Student Centered Coaching and pineapple charts (a model classroom learning opportunities schedule) We then broke into mixed KP and WC teacher teams to complete a team building activity. Following the activity, grade alike and content specific groups met to share successful lessons and/or strategies. Then district specific professional development teams discussed professional development for the year and ways teacher leaders could support the faculty. Finally, we culminated the day with light-hearted, humorous teacher videos. While the teachers collaborated all morning, the administration also planned together in Mr. Bailey’s office. We thank Pastor Ken Kraft and the New Life Baptist Church for providing us with delicious treats for the morning!

Currently, some KP/WC teacher leaders are completing a book study on Monday evenings from 4:00-5:30. We are reading and discussing the book High Impact Instruction by Jim Knight. The teacher leaders will also be meeting monthly in Mastermind Meetings. During these meetings we will discuss positives and successes while coaching and looking for specific feedback to make everyone more effective. Mastermind meetings are used in the business world for members to share creative, innovative ideas and to support their teams, so we will adapt the concept to support ours.

Last year, teacher leaders focused on building relationships and gradually getting into colleagues’ classrooms. This year, we will focus on Student Centered Coaching. SCC concentrates on specific student learning targets, rather than on teachers. Coaches will navigate directly toward a measurable impact and increased student achievement. All KP and WC coaches are to be engaged in at least one coaching cycle the first quarter. The goal is for them to be able to work with 3-4 teachers in coaching cycles at one time. To give you a sample of a coaching cycle, the coach and teacher first sit down to discuss how the coach can help the teacher or a need the teacher has. The coach then gives the class a pre-assessment. The teacher and coach next meet to sort student data and form a plan of action. Once completed, the coach can co-teach with the teacher, model a lesson, or observe and provide feedback for the teacher if he/she so requests. The main focus is on the students while the teacher and coach collaborate on how best to meet students’ needs. A typical coaching cycle should last between 4-6 weeks.

As you can tell, we have hit the ground running this year at KP, and I am so thankful for a great start to the new school year.
Senior Alert - It’s Time for FAFSA

The Free Application for Federal Student Aid (FAFSA) for the 2018-19 school year opened up yesterday and now is the time to start thinking about completing your FAFSA. The FAFSA is the first step in the financial aid process, and will grant you access to need-based aid and federal student loans.

If you are looking at multiple schools, whichever has the earliest priority date - that’s your FAFSA deadline. To find Iowa priority dates visit www.icansucceed.org/priority.

FSA ID
If you haven’t set up your FSA ID yet visit https://fsaid.ed.gov to set up your username and password.
You as the student will need an ID
One of your parents will need an ID
If your parents have filed the FAFSA for an older sibling, they might already have their FSA ID.
Make sure that you write down your username and password after you set it up, and keep it in a safe place so that you can find it when you’re ready to file the FAFSA!
Learn more about the FSA ID Process - www.icansucceed.org/fsaid.

Scholarship Options
After you’ve filed your FAFSA, you should start looking into different scholarship opportunities.
Colleges and universities that you’re applying to,
