Iowa Assessments

The District will be administering the Iowa Assessments, formerly known as I.T.B.S. and I.T.E.D., to students November 6, 7th and 8th. The federal education law, known as “No Child Left Behind” makes testing of students extremely important. Here are some tips to help your child do his/her best during the testing week.

Easing Pre-Test Jitters

It’s normal for kids to get nervous before a significant test. This is actually a good thing. That adrenaline boost can be helpful, but it can be hard to obtain and maintain that perfect level of nervousness. If your child is overly worried in your opinion, try these tips:

1. Reassure your child
   Tell your child that the test will be used to evaluate how well a school or school district is educating its students. It’s important for kids to have a sense of the broader context.

2. Take a deep breath
   If your child is a very nervous test-taker, have her do deep breathing exercises before the test. He/she can take a deep breath and count to ten. Then have him/her take shorter deep breaths in between passages or sections of the test -- counting to three only. This exercise is fast and simple, but it really works!

3. Make sure your child gets his/her rest
   Make sure your child will be comfortable and alert on the day of the test. The child should get a good night’s sleep the night before and a light breakfast the morning of the test. (A heavy breakfast can make you sleepy.)

4. Dress in layers
   Have your child dress comfortably in layers so that he/she can take clothes off or put them on, depending on the temperature of the room.

Our “Parent-Teacher-Conference” attendance was once again successful. This is a tradition that we all want to continue. Another event that is quickly approaching includes our standardized testing. Throughout the week of November 6-9 (and into the following week) Grades 1, 2, 3, & 4 will be taking the Iowa Assessment Tests (formerly ITBS) mainly in the mornings. Adequate sleep and a healthy breakfast are always encouraged before beginning each day, but please make an extra effort in your home this week! Remember Daylight Savings ends on November 3 (set your clocks back one hour).

Your child just completed our annual “Red Ribbon Week.” We always promote healthy living and want to keep all of our students on the right track. It was great to see the participation for dress-up days. A special “thanks” goes out to the Kingsley-Pierson Booster Club for the donations of wristbands, tulip bulbs, and candy. The meal provided for the Kingsley-Pierson Faculty & Staff were much appreciated on Tuesday, 10/23/12 (from the KP Booster Club) during Parent-Teacher-Conferences!

Many of you have sent “Box Tops” with your child to school. Thank you and please continue to do this the entire year. We are also collecting Land-O-Lakes milk caps. In cooperation with our local grocery store, Chet’s, please save your receipts and send them with your child to school. Finally, we are going to try one more year of the “SchoolStore.com” online shopping opportunity. Your child will be bringing home a form soon.

A reminder about the change in weather, please make sure your child is prepared for the extreme temperatures. If the temperature, precipitation, and wind chill are all at a reasonable level, the kids are outside.

Many families have experienced the flu recently in our district. Please remember the “24 hour” recommendation (fever and/or flu free for 24 hours). The other tip is to wash your hands more than usual to help combat the flu.

I hope all of you have a “Happy Thanksgiving”! There is an early dismissal on Wednesday, November 21 (one hour early).

“The Kingsley-Pierson CSD believes education enhancement requires consistently fair and equitable educational and employment practices without regard to race, color, national origin, religion, creed, age, sexual orientation, marital status, sex, gender, gender identity, disability or socio-economic status.”

School Health Information

Any parents that have students in 5-12th grade should have received by mail and email, information regarding a Plymouth County Public Health sponsored school-based Tdap immunization clinic. The deadline for the consent forms for your child to receive the vaccine was November 1st. If you did turn in a consent form, the public health office will cross check your child’s vaccines with the state-wide immunization website. Once the final number of doses is determined it may take 3-4 weeks to receive the vaccines. A clinic date will then be set up with our school for the students to receive them. If you have any questions about this clinic, you may call me or Plymouth County Public Health.

I have been in the elementary classrooms again this past month. I talked with the kindergartners, 2nd and 4th graders about poison prevention. Poison Center phone stickers and parental informational booklets were sent home with these students. I also talked with the 1st and 3rd graders about fire prevention. We practiced “stop, dropping and rolling” if they catch on fire. We sometimes get a little crazy when I visit the classrooms.

The 6th graders were presented a program sponsored by the Council on Sexual Assault and Domestic Violence, called “Flirt vs. Hurt”. The main focus of the program is to prevent student to student sexual harassment. The senior health students had a guest speaker come in from Plains Area Mental Health Center. She discussed on her first visit general mental health diseases and their treatment. She returned later in the month to talk with the same students about eating disorders.

In December, I will be recertifying/retraining all the senior health students in CPR/AED. This class will make them in compliance with the new state regulations that started with the 2012 graduating class, that all graduating students be trained in CPR.

If you have any health questions or concerns, don’t hesitate to call me at the school!

**2012 Mock Election**

Students in grades 5-8 participated in a mock election held on the 30th of October in conjunction with the State of Iowa. Grades 6-8 discussed the election process. We also discussed different issues that people look at when choosing a candidate. Students chose three issues to examine to make their choice for President of the United States and Representative for the 4th District of Iowa. These results will be submitted to the State as well as a National Mock Election. Special thanks to the 8th grade Student Council members for facilitating the election. One thing that ALL students agreed to was that they would be glad when all the commercials and calls are done on November 6th!

The kindergarten class had an eventful month of October. We went on our first field trip to Hillview Park in Hinton and Pumpkinland in Orange City. It was a cool, windy day, but that didn’t keep us from having a blast. At Hillview Park, we went on a nature hike and looked and listened for signs of fall. We even saw a deer in the woods! We ate lunch in their new building and then headed north to Pumpkinland. There the kids enjoyed all the different animals in the petting zoo, went to “pumpkin school”, ran through the corn maze, picked a pumpkin from the patch, and ate popcorn on the bus ride home! It was a fun day!

We also finished learning about the letters of the alphabet. We focused on one letter a day, and then reviewed on Fridays. Now we’re practicing and reviewing all the letters and their sounds!

This week we had a special visit from three volunteer fire fighters for the Kingsley Fire Crew. They brought a fire truck and all of their safety gear for the kids to see. The firemen also talked to the kids about important safety rules to remember.
Middle School Comments  
- Mr. Wiese

On Friday, November 9, at 11:00 AM, in the Kingsley-Pierson Middle School Gym, the annual Veteran’s Day Program will be held. You are all invited for the festivities in Pierson along with the public. There will be multiple phases to the program including honoring our Veteran’s, musical performances, and a message about this special day in our country.

Thank you for attending your child’s conference this past month. Many of you monitor your child’s grades, lunch balance, attendance, and lesson plans on-line (remember this procedure carries over year to year) via JMC. Please note: there has been an upgrade for the 2012-2013 school year and there have been several “issues” that are causing delays, errors, etc. Thank you for your patience! If this interests you, please call the middle school (712-375-5939) or email me at robwiese@kingsley-pierson.k12.ia.us for more details.

The meals provided for the Kingsley-Pierson Faculty & Staff were much appreciated on Tuesday, 10/23/12 (from the KP Booster Club) during Parent-Teacher-Conferences! All students received a pamphlet titled: Mad About Money, Pay Yourself First, a 5th-8th grade assembly outline. This assembly was held from 2:45-3:30 pm on Tuesday, October 30. Lots of learning and fun was experienced by all!

Throughout the days of November 6-8: all middle school students will be taking the Iowa Assessment Tests (formerly ITBS.) Adequate sleep and a healthy breakfast are always encouraged before beginning each day, but please make an extra effort in your home for this particular week!

Our volleyball and football seasons are complete. Congratulations to all of those involved with the programs! The basketball season is now in full swing. Opening games (AOMV) begin on November 13, and I hope to see you there. The boys play in Anthon @4:00 PM and the girls play in Pierson @4:00 PM. Please remember to promote “Sportsmanship” at every event!

Many families have experienced the flu recently in our district. Please remember the “24 hour” recommendation (fever and/or flu free for 24 hours). The other tip is to wash your hands more than usual to help combat the flu.

Teen Read Week

The Kingsley-Pierson High School Library participated in National Teen Read Week October 15-18. The students were given a new set of questions each day and had to use the reference books in the library to answer them. For a correct answer they received a bar made by Mrs. Lindgren and Mrs. Ploeger. Their names were then entered into a drawing for other prizes. On Thursday Oct. 18 a drawing was held for the famous “Giant Cookie”! This year’s winner was Alex Lund. Other prizes included Barnes & Noble gift cards and candy.

FCCLA News

Eight FCCLA (Family, Career and Community Leaders of America) and Mrs. Todd, chapter advisor, traveled to Hinton for the District meeting on Oct. 24. Montannah Utterback led the group ice breaker, “Animal Sounds”. The featured speaker was Jenny Herrick. She was honored to be chosen by Dr. Patch Adams to accompany his group to China, where they spent 14 days clowning for various Chinese organizations. She also was part of a delegation to Ground Zero several weeks after 9/11. She entertained us as well as challenged us to make humor a part of our everyday life.

In the afternoon, our group gave a presentation on “SMA” and the Vondrak family. We appreciate the opportunity to attend the rally.

The 6th grade held the annual Egyptian Fair. They dressed as ancient Egyptians and presented on topics such as mummies, pyramids, maps and hieroglyphics, and famous men and women of ancient Egypt. Groups also presents on ancient gods and goddesses and everyday life of ancient Egyptians. One group worked as tour guides and greeters to escort the 5th grade class along with parents and grandparents who came to the fair. We had a great crowd this year! The kids did a great job and shared some information as “experts” of ancient Egypt!! A Big thank you to all who attended! - Mrs. Ploeger
Kingsley-Pierson reaps the benefits of these experiences. Ms. Huth, Special Education teacher, and Mrs. Vondrak, English teacher, attended the annual Iowa Council of Teachers of English conference in Des Moines. The theme for this year’s conference was Keep Calm and Teach On. Keynote speakers for the two day event were Ryan Goble and Kelly Gallagher.

Goble presented his keynote on Thursday. He is an adjunct professor in the education departments of Aurora and Roosevelt Universities in Chicago. Goble’s topic “Media Circles: Cooperative Learning for Media Savvy Teachers” presented ideas traditionally associated with literature circles. This reinvention of tools assists teachers with exploring how media circles can pull students into collaborative learning groups to examine non-print texts (TV, film, radio, still images, websites, fashion, and video games). With the Iowa Common Core push toward 21st Century literacy and utilizing technology in the classroom, Goble’s ideas are a timely reminder for teachers to include those skills.

Friday’s sessions began with a keynote presentation by nationally known author Kelly Gallagher, from Anaheim, California, where he has taught high school English for 27 years. Gallagher is the author of a number of books, including Readicide, Write Like This, and Teaching Adolescent Writers. His topic for the conference was “Assessment Which Drives Better Student Writing.” Strategies to improve students’ writing performance, and techniques Gallagher himself employs in his classroom, were applications that teachers could immediately practice with their students. Gallagher passed along his “Eight Commandments of Assessment”: 1) Remember all writers are fragile; 2) Start with an overarching goal that everyone improves (from where he/she is); 3) Don’t focus on the editing, develop the craft; 4) Don’t wait until the end of the process to provide feedback; 5) Conference, conference, conference; 6) Develop voice, allow students a voice in developing the guide/rubrics; 7) WYTIWYG: What you test is what you get; and 8) If you worry too much, you’ll be crazy. Keeping the “end” in mind should not just be a teacher’s job; the final assessment should not be a secret to the students and brought out as a surprise at the end of the chapter, unit, quarter, semester or year. Everyone should know the common goal. Teaching and learning means collaborative engagement among all who share a classroom.

In addition to the keynote speeches, teachers and professors shared their ideas and teaching practices in breakout sessions throughout the two days. Among the sessions Ms. Huth and Mrs. Vondrak attended were: “Easy Peasy” Fun and Practical Ways to Implement Writing in the Classroom; Movie Trailers to Documentaries; Moving Students Beyond Fake School Writing; and Engaging Reluctant Readers. Each session offered practical ideas and discussions to enhance learning in all classrooms.

The Iowa Council of Teachers of English conference provides teachers with current pedagogy as well as connects teachers from across the state creating a network of professionals. “Being able to hear Kelly Gallagher, a highly revered educator, author and speaker, was the highlight of the conference,” according to Mrs. Vondrak. “He spoke nearly nonstop for two hours and provided useful, applicable information and strategies for every teacher.” Mrs. Vondrak has also been reading Gallagher’s books, Readicide and Write Like This, both of which support strategies she currently implements and provide new ideas she will model with her students.

This year’s conference was Ms. Huth’s first experience at ICTE. “Prior to attending,” Ms. Huth said, “I was reluctant to let students ‘free write.’ Now, I feel more comfortable allowing students to write in order to get the ideas expressed on the paper.” Her students have written “Six Word Memoirs,” some which were illustrated, as a way to begin their free writing experiences. She looks forward to learning more and utilizing more writing with her students.

Professional development opportunities beyond the school district not only enhance the teacher’s learning and growth but also enhance the entire school community. Kingsley-Pierson reaps the benefits of these experiences.
Seniors have been visiting with college representatives in the guidance office this past month and these visits by college representatives will continue until the end of March. December is the month for financial aid training. The ICAN Center from Des Moines will be in the Kingsley-Pierson High School Library on November 13 at 7:00 P.M. The presenter will talk about the types of financial aid available and how to complete the FAFSA application for financial aid. All seniors and their parents are encouraged to attend this presentation.

IOWA STATE UNIVERSITY CHRISTINA HIXSON OPPORTUNITY AWARDS: The Hixson Opportunity Award is a four year grant of one-half tuition and fees to be used at Iowa State University. One hundred high school seniors from across Iowa will receive the award each year, representing each county in the state. High school seniors who demonstrate potential in ways that go beyond class rankings and test scores should apply for this award. This scholarship is for those students with the ability and determination but more modest circumstances and means to afford college. The online Hixson application is available at www.dso.iastate.edu/hixson. The deadline for this scholarship is February 1, 2013.

WAYNE STATE COLLEGE SCHOLARSHIP DEADLINES: Students planning to attend Wayne State College need to have their scholarship applications at the Wayne State Admissions Office by December 1, 2012. Also, before a college will award or look at a scholarship application, the student needs to have completed a college application.

HERBERT HOOVER UNCOMMON STUDENT AWARD FOR JUNIORS: This is a project driven program not based on grades, test scores, essays or financial aid. Visit www.hooverassociation.org for details. This program identifies and honors approximately 15 Iowa high school juniors who propose and then accomplish projects of their own design. The award also honors Herbert Hoover, an Iowa native and the 31st President of the United States.

SPORTS MEDICINE PREVIEW DATE: The Northwestern College Athletic Training Program is sponsoring a Sports Medicine Preview Day on November 12, 2012 beginning at 12:00 P.M. The goal of this program is to give students an opportunity to explore career options in sports medicine from an athletic training background. This includes the fields of physical therapy, personal training, exercise science, and coaching. There will be hands on learning opportunities. Students are also invited to take part in a campus tour during this day and have the option of observing football practice or other athletic training activities. Students may register at http://www.nwciowa.edu/athletictraining/

Dear Senior Parents,

Just a reminder that your son/daughter’s senior picture for the yearbook is due by **Monday, December 3rd**. The photo must be vertical and preferably a head & shoulders shot. Digital pictures work best. Images may be e-mailed to maschroeder@kingsley-pierson.k12.ia.us pictures can also be brought in on a CD or flash drive.

In addition, if you would like to make a donation for a dedication to your senior, please include the donation, your name, and your senior’s name. The donation can be any amount, but we ask for a minimum of $25.

The yearbook staff will include your son/daughter’s senior picture along with a photo of your choice, next to your note of contribution. If you wish to use a different senior picture other than the one used at the beginning of the book, you may do so (**it can be either vertical or horizontal**). The dedication pages will look similar to the ones shown below. The deadline for the dedication pages is also **Monday, December 3rd**.

Thank you for your support.

Sincerely,

Mr. Schroeder & The Panther Staff
You may order a yearbook at the high school office or through your homeroom teacher. The cost of this year’s book is $40 if you order before December 21, 2012. After Christmas break, the price will be $45.

Elementary & Junior High - Return your order forms to your homeroom teacher.
High School - Return your order forms to the office.
Public & Community - Return your order forms to the high school office.

Yearbooks will be sent home with students by September 2013.
