In May, open enrollment benefit renewals and FY23 contracts will be completed by staff. Our property insurance provider will be raising the premiums more than 25% due to the increased wind and hail claims for the carrier. Motion by Collilins, seconded by Plendl to approve the financial report. All voted aye, motion carried.

7. COMMUNICATIONS:

Principal Brand:

We are on the home stretch! May 17th will be the MS school concert, awards night and 8th grade graduation. Students from the driver's education program are beginning their driving this week through June. A huge thank you to the local business support during Staff Appreciation week. This is the most support I've seen from a community in my career. We recently had a STEM festival for a half day at the middle school. We had 15 different business support this program. The businesses came in to discuss how technology is used in various careers. Additionally, it showcased many different careers to the students. We also ended the month with our PBIS monthly assembly and our all school incentive. On May 20th, at 8:45, 8th grade will host their annual Hero's Day. 8th grade students have been preparing their Hero's Day essays in which they will present to their families in the morning on the 20th. On May 18th, 6th grade students will be showcasing their Egyptian Fair in the afternoon. They will be showcasing their work to their families and the public on Wednesday, the 18th from 2:15-3:15. This has been very exciting for students, but also exciting for our building because language arts class is collaborating with social studies, which is also collaborating with art to create projects for this fair. On Monday, May 23rd, 4th Grade students will be coming to the middle school for Orientation day. They will eat lunch with the 5th graders, attend recess with 5th grade, spend time meeting the 5th grade teachers, and then a tour of the building. 5th Grade students will also go to each of their 6th grade teacher's classroom to learn a little about what they do on a daily basis. 8th grade students will be going to the high school to prepare for their freshman year. On Tuesday, May 24th, 5th-8th grade students will go to the Sweet 16 Lanes bowling in Le Mars for an end of the year field trip and incentive. On Wednesday, May 25th 5th

grade will take their field trip to the capital in Des Moines. They will leave early and tour the capital and come home in the evening. The last day of school will consist of an end of the year assembly, etc. and finish with some different activities.

Supt. Bailey

Mr. Bailey discussed the last day of school to be May 26 for students and May 27 for the teachers. Motion by Collins, seconded by Plendl to approve the last day of school for students on May 26 and May 27 the last day for teachers. All voted aye, motion carried. Open positions as of the May Board meeting and advertised were choir teacher and kindergarten teacher positions. The new addition has been having HVAC issues with humidity and continuing to work with the contractor on resolving the issues. Legislative session is still going on. One issue is the voucher bill and the effect on the public and private school. Mr. Bailey recommends the money should support public schools instead of private schools. A request from baseball coach to allow little league students to get into the games free. Supervision will be the main concern of the Administration. Softball game entrance will be on the north side of the high school building. Softball batting cage needs improvements after being installed. Bats are hitting the sides of the poles, so change the fencing poles to the outside. River Valley suggested to talk about sharing possibilities for football and basketball. The Board noted to have the conversation but no commitment at this time.
